Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The proposal description covers the garage extension in width by 600 mm on either side. However, in the approved drawings the garage was only extended in width by 500 mm on either side. Therefore, we would like the approved drawings to be brought in line with the 600 mm width increase stated in the proposal description.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We would like the submitted drawings to be approved and to replace the currently approved drawings. In the submitted drawings, the width of the extension has been increased by 100 mm on either side, making the garage extension 600 mm wider on each side. The clearance around the protected tree has also been increased in the submitted drawings.
