COMMENTS:

My wife and I strongly object to the planning application submitted by the residents of 45 Kestrel Way on the following grounds:

1. The proposed application is a gross over-development of the site which is potentially changing the character of the household from a family home to a multiple occupancy dwelling.

2. 31-41 Kestrel Way is a private, unadopted close and with no on road parking outside 45 Kestrel Way we are concerned that new residents will use our close as a car park.

3, emergency vehicles require 24 hour access to our close for elderly residents - this will be impacted if cars are parked on the road on Kestrel Way.
