## Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

To erect a single storey outbuilding within the curtilage of the dwelling house with incidental use for the enjoyment of the dwelling house.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The proposed outbuilding will comply with the requirements for permitted development, and therefore should be considered lawful.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

N/A

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent  
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The outbuilding will comply with the requirements for permitted development:

- The use as a "Gym and Yoga Studio" will be for the enjoyment of the dwelling house.
- The location is at the rear garden and therefore would not be forward of the principal elevation of the original house.
- The furthestmost external elements of the outbuilding is 2m from the rear and side boundaries.
- The outbuilding will not exceed 50% of the total land around the original house.
- The use is residential but not for separate, self-contained living accommodation.
- The outbuilding is single storey with eaves height of 2.5m and overall height of 4m with a dual pitched roof.

Because of the above reasons, the new outbuilding should be considered lawful.

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes  
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent  
☐ The applicant  
☐ Other person

## Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes  
☒ No

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No

## Interest in the Land

Please state the applicant's interest in the land

☒ Owner

☐ Lessee

☐ Occupier

☐ Other
