

PLANNING REF : 250375
PROPERTY ADDRESS : 84a Crockhamwell Road
: Reading, Berkshire
: RG53JZ
SUBMITTED BY : Mr Jason Elliott
DATE SUBMITTED : 05/03/2025

COMMENTS:

The initial application was approved and looked good. The roof was then replaced with a badly built roof and was nothing like the approved plans. The new application is merely reducing the overhang of the eaves, which would still cross the boundary line as well as leaving a poorly constructed eye sore. We will object to this until the original plans are adhered to and the roof constructed properly with zero intrusion on the boundary line.
