

PLANNING REF : 252498
PROPERTY ADDRESS : 9 Chesterment Way
: Lower Earley
: RG6 4HW
SUBMITTED BY : Mr Perry Jago
DATE SUBMITTED : 20/11/2025

COMMENTS:

I note that apparently inadequate provision has been made for increased traffic on Lower Earley Way - not for the first time. Access from Paddick Drive is already difficult at the best of times, the view on to the main road is so restricted as to be bordering on dangerous. Increased traffic from the roundabout is likely to make this worse.
