COMMENTS:

I would like to strongly object to this recent planning application for the following reasons. We live in Trowes lane and are currently experiencing 20 houses being built behind us. The project has been going on for at least 2 years and is a long way off being completed. It has caused chaos with so many lorries, noise and general disturbance. The adjacent field has been granted planning for another 81 houses which haven't been started yet.

We live in a small village which is growing unbelievably fast without the infrastructure to support so much growth. No more local schools, the same overstretched doctors surgery, very limited bus service and inadequate roads and pavements.

There is also problems with drainage in the village when we experience heavy rain.

We are 3 miles from a supermarket. A car is needed to get to schools.

For all these reasons I think the village cannot cope with this amount of growth.
