PROPERTY ADDRESS : 32 Dinorben Close
:
: GU52 7SL
SUBMITTED BY : Mr Nigel Woodland
DATE SUBMITTED : 28/11/2025

COMMENTS:

No reason for this depot to be located here - in a flood zone
between designated wildlife area and country park which is used by
the community for walking and fishing
It would be devastating to the local wildlife if this were to leak
and a huge loss to the community

This should be located elsewhere in a more appropriate site
