Dear mark

I confirm that Astana Ltd gives its authority and full support for the planning application and acknowledges receipt of the formal 21-day notice.

Kind regards
Sharon Roberts
Operations director

Subject: Notice to build planning application

Caution: This email originated from outside our business. Do not respond, click on links, or open attachments until you validate the content is safe.

Hi Sharon

As you will remember, we are having to apply for retrospective planning permission for the 2nd shed at 3A WTF. We are allowed to submit the application and you asked if there was anything you need to do then let you know.

Attached is the official planning application notice form that I am obliged to send the "owner" of the land giving 21 days notice to object to the relevant planning officer. Its is for your records I guess.

Could you reply with Astana Ltd authority and support for this application to be put forward and you are aware of the notice given of 21 days. Can literacy be 1 sentence.

Many Thanks
Mark & Anthea Winandy
