The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council.

APPEALS TO THE SECRETARY OF STATE

PLANNING & ADVERTISEMENT APPEALS

1) If you disagree with the decision of the your local planning authority to refuse planning permission or you do not think that conditions placed on an approval are justified or reasonable, then you can appeal to the Secretary of State for the Environment, Transport and the Regions.

   If you want to appeal you must do so within **6 months** of the date of the attached notice, using a form you can get from The Planning Inspectorate. They can be contacted on (0117) 372 6373 or you can write to them at ; Temple Quay House, 2 The Square, Temple Quay, Bristol. BS1 6PN.

2) In some exceptional circumstances an appeal can be considered if more than 6 months have elapsed since the date of your decision. If the 6 month time limit has expired and you wish to appeal please contact the Planning Inspectorate to find out if they are willing to accept it.

3) The Secretary of State does not have to consider an appeal if it appears that the local planning authority could not have granted planning permission for the proposed development or could not have approved permission without the conditions it imposed while having regard to the statutory requirement of the development order or any directions given under the order. In practice The Secretary of State does not normally refuse to consider appeals solely because the local planning authority based its decision on a direction given by him.

4) It is a statutory requirement for all appellants to copy their appeal forms direct to Wokingham District Council, Planning Services, P.O. Box 157, Civic Offices, Shute End, Wokingham, RG40 1WR, at the same time as the appeal is sent to the Planning Inspectorate. Details of this procedure will be included on the appeal forms.

PURCHASE NOTICES

1) If the local planning authority or the Secretary of State for the Environment, Transport and the Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that the land cannot be put to a reasonably beneficial use in its existing state or cannot make the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

2) In these circumstances the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase an owners interest in the land in accordance with the provisions of Part XI of the Town and Country Planning Act 1971.

COMPENSATION

1) In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or is granted subject to certain conditions by the Secretary of State for the Environment, Transport and the Regions on appeal or on reference of the application to him. These circumstances are set out in Section 114 and related provision of the Town and Country Planning Act 1990.

Consultation Responses :

Highways- no objection

Conservation – sensitive location in C.A, simple solution / request photos / material details / recessed entrance doors could be a security risk + grille should be resisted.

Planning Issues :

Town Centre Conservation Area . .

F/2001/4018
11a Market Place, Wokingham

History: 11a Market Place is an older building, located in the town centre conservation area but is not listed. There have been a number of previous consents for replacement shopfronts and advertisements on the site. An application for new signage (A/2001/3802) has recently been approved – this was installed at the same time as the shopfront, prior to determination of the application for advertisement consent.

Appraisal: This is a retrospective application. The shopfront is constructed from white, powder coated aluminium and has a simple, unobtrusive design, very similar to the previous shopfront. Therefore, the replacement shopfront is considered acceptable, although it bears little relationship with the upper floors of the building.

1. 11a IS NOT A LISTED BUILDING BUT IN THE TOWN SQUARE AND CONSERVATION AREA. THE LOCATION IS THEREFORE VISUALLY VERY SENSITIVE. THIS MAY BE A SIMPLE SOLUTION AND APPEARS UNCLUTTERED BUT IS ANOTHER EXAMPLE WHERE NEW PLANNING GUIDELINES WOULD BE HELPFUL TO INFLUENCE DESIGN.

2. PHOTOGRAPHS SHOULD BE REQUESTED TO SUPPORT THE APPLICATION + MATERIAL DETAILS.

3. I GUESS THE LIGHTING OF SHOPFRONT SIGNS ARE PART OF THE ADVERTISEMENT APPLICATION PLUS PROJECTING SIGNS.

4 THE RECESSED ENTRANCE DOORS COULD PROVIDE A SECURITY RISK, PARTICULARLY AT NIGHT. ANY PROPOSAL TO ADD A GRILLE SHOULD BE RESISTED.

YOUR PLANNING APPLICATION

WHY DO YOU NEED TO MAKE A PLANNING APPLICATION ?

New buildings, major alterations and enlargement of existing buildings, and many changes in the use of buildings and land need planning permission.
The Town and Country Planning Acts impose a duty on Local Authorities to control these changes, and this means that a balance has to be found between the need and pressure for change, and the desire to protect the character of settlements and the countryside.
The merits of each application are, therefore, carefully examined.

WHAT ELSE MAY YOU HAVE TO DO ?

Listed Building Consent:	for works to a Listed Building; or for demolition works on land within the curtilage of a Listed Building or within a Conservation Area.
Advertisement Consent:	for the display of advertisements or signs
Building Regulation Approval:	for most new building or construction work.

Special forms are available for these types of applications.

You should also check whether there are any other regulations with which you may need to comply.

WHAT HAPPENS TO THE APPLICATION ?

It will first be checked to see if it is complete and if it is, it will be registered.

Consultations will be carried out with public and other bodies, such as the Highway Authority, or Local Parish Councils.

Publicity may be given to allow local people the opportunity to comment on your proposals.

The application will be considered in relation to the Council's planning policies and guidelines, the past history of decisions on that site or in the locality, other standards (such as parking, or visibility at road junctions), and any other material considerations.

The site will be visited by a Planning Officer You may be asked to submit more information, or to amend your application.

The application will then be considered either by a Planning Committee or Sub Committee (made up of Councillors) or by the Chief Officer responsible for planning matters. Objections to an application will be taken into consideration by the Committee or the Chief Officer.

Shortly after the application has been determined, you will receive a Decision Notice.

HOW LONG WILL IT TAKE ?

An application will generally be determined within eight weeks although a longer period may sometimes be required for a complicated application.

WHAT SORT OF DECISION CAN BE MADE ?

Your application may be approved.

Your application may be approved subject to certain conditions. These could impose restictions on the use of land or buildings, or require further details to be approved at a later stage, (e.g. materials or landscaping).
You may appeal against the conditions, but this opens the entire permission to review by the Secretary of State.

Your application may be refused. The reason will be listed on the Decision Notice.

WHAT HAPPENS IF THE APPLICATION IS REFUSED ?

You have the right to appeal against the refusal to the Secretary of State, but you have to do that within six months. Appeals can be dealt with by written representations by both sides, or by a Public Inquiry.
You may ask the Planning Officer whether an amended application would be more likely to receive planning permission.
