COMMENTS:

Muslim population in Wokingham has doubled in the last decade. I believe we need a place to dedicate a peaceful coexistence and mutual understanding within Wokingham community. This centre will positively contribute to the community spirit, promoting understanding and inclusivity. Also, with the growing muslim population, we need a place for worshipping and gathering peacefully. Regarding the parking issues, we can address it by doing carpooling or walking to the venue (not all of us need a car park, especially there is a train station nearby).
