COMMENTS:

I wish to object to this planning application on the grounds that A/
My back garden already faces a good deal of brick wall and this
would add to that , also helping to block the morning sunlight and
add more noise to an already noisy neighbour .

B/ Not in keeping with rest of neighbourhood houses ie no extensions
of this kind

C/ Too many cars kept at this residence, normally 7-10 cars ,3 in
the communal parking area meant for visitors, 1 not road legal at
the

present time and concerned that this will add to a problem that has
been ongoing for many years , inconsiderately parked all over the
road , on corners etc at all hours of day and night so this would
add another car / possibly carers cars etc adding to an already
difficult situation with many neighbours already upset . Emergency
vehicles have not been able to gain access through the road at
times this is so bad .

D/ Planning application notice has been put at the side of the
house , not publicly displayed to most neighbours .

E/ Over occupancy of home due to the fact that they(4 in the
family) own and run many vehicles each (altogether 30-40) and
this will add another person and possibly cars , if not now but in
the future . F/ Noise increase . Already having to tolerate
inconvenient noise from cars running late at night, front door
slamming ,bins being put out late (11pm) . Another person
living there would increase this .

I can send photographs to back up car problems if required .
