Dear Sir/ Madam,

Application Number: PL/26/0158

Location: 299 LONGWATER AVENUE, READING, RG2 6AB

Proposal: Adjacent authority consultation on Full application for the proposed installation of 28 no. streetlights

I refer to your consultation on the above application, received on 5 February 2026.

Reading Borough Council is currently considering full planning application PL/25/1604 for the installation of 28 streetlights. This application remains under assessment, with several outstanding matters raised by our Natural Environment and Ecology consultees. These comments are publicly available to view on the Reading Borough Council website. Subject to the satisfactory resolution of these matters, and provided the proposal complies with all other relevant material considerations, the application is likely to be viewed favourably.

On this basis, and assuming a similar approach is taken, and all issues are appropriately addressed, we raise no specific objections to the application submitted to Wokingham Borough Council. We understand that you will determine the proposal in accordance with your adopted policies.

Yours faithfully,

S. Hickey
