COMMENTS:

Twyford Parish Council's Planning & Amenities Committee notes the contents of the submitted Arboricultural Report. In particular, the Committee highlights section 3.1 which states that 'No pruning work is advisable during the period immediately before or after leaf break'.

The Committee also wishes to draw attention to section 3.2 noting that 'In accordance with the Wildlife and Countryside Act - 1981, Conservation - Natural Habitats - Regulations 1994 and Countryside Rights of Way Act - 2000, you must consider the timing and type of tree work operations including hedge pruning to avoid causing disturbance to any nesting or breeding birds or bat roosts that may be present within trees and hedgerows'.

The Planning & Amenities Committee therefore requests that the proposed works schedule fully reflects and complies with these requirements.
