

CONSULTATION RESPONSE re: 253071 Land To West Of Park Lane Charvil RG10 9TS
Application for approval of Reserved Matters pursuant to Outline Planning Consent 232704

Thank you for consulting Berkshire Archaeology re the above application. The latest changes to the application do not alter the advice previously given.

A Condition (39) related to archaeology has been added to the Outline Application 232704, which still needs to be fulfilled.

I would like to remind the applicant that archaeology should be dealt with at an early stage, to ensure that any archaeology, should it be present, remains undisturbed by other actions on site until the archaeological evaluation and reporting has been completed and the condition for archaeology fulfilled.

Kind regards
Linden
