COMMENTS:

It's a big NO again - I live opposite where you want the entrance to the new site to be- which is the entrance to a Bridle Path where dog walkers, families and cyclists enjoy the countryside. I don't know why you want to keep considering destroying these areas! I bought my home for its position next to the countryside which you now want to destroy - you will also be de-valuing the value of my home. Three Mile Cross does not have any facilities to accommodate any more homes - Three Mile Cross as an independent village does not have a school, a doctors surgery or even a village hall, we have a garage, a pub and a local shop which you have put yellow lines in front of ! The traffic is atrocious in the mornings and our village just doesn't have the capability of coping with more people. I think this is the 3rd time I have objected so please decline this planning application and stop taking away the natural green spaces we have and enjoy.
