LANDSCAPING

7 LANARK CLOSE, WOODLEY RG5 4DF

EXISTING

The land is classed as an amenity land and falls between the site boundary and the public footpath. It is formed of grassed area with a cluster of shrubs and two trees. It is a neglected piece of land that has not been maintained regularly and as a result one of the trees is dead and shrubs are overgrown.

PROPOSED

The applicant is intending to include this piece of land within the curtilage of his property and would retain all land scaping features of the land. The existing dead tree will be replace by a new tree of similar species, the overgrown shrubs will be trimmed to a manageable size and the whole area as part of his property will be regularly maintained.
