WOKINGHAM DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACTS

Notification of Approval of Permission

Bluebeckers Ltd
C/O Phoenix Architecture and Interiors Ltd
53 Main Street
Pannal
Harrogate
GG3 1JZ

Application Number: A/2001/5261

Parish: **FINCHAMPSTEAD**

Location: **Tally Ho, Fleet Hill, Eversley, Hook.**

Proposal: **Proposed erection of externally illuminated post signs and fascia signs.**

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Condition
1. a) Any advertisements displayed, and any site used for the display of advertisements, shall be maintained in a clean and tidy condition to the reasonable satisfaction of the Local Planning Authority .

b) Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

c) Where an advertisement is required under the Town and Country Planning (Control of Advertisements) Regulations to be removed, the removal shall be carried out to the reasonable satisfaction of the Local Planning Authority.

d) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

e) No advertisement shall be sited or displayed so as to obscure or hinder the ready interpretation of, any road traffic sign, railway signal or aid to navigation by water or air, or so as otherwise to render hazardous the use of any highway, railway, waterway or aerodrome (civil or military).

Condition
2. The sign(s) shall not be illuminated other than while the premises are open for business.

Condition
3. No part of sign No. 3 shall be closer than 2 metres from the edge of the carriageway.

Reason
1. To comply with the Town and Country Planning (Control of Advertisements) Regulations 1992 (as amended).

Reason
2. In the interests of visual amenity.

Reason
3. In the interests of highway safety and convenience.

Informative
1. You are advised, in compliance with The Town and Country Planning (General Development Procedure) (England) (Amendment) Order 2000, that the following policies and/or proposals in the development plan are relevant to this decision:

Berkshire Structure Plan Policies C2 and C8.
South East Area Local Plan Policies STV2, SBE10, SC3 and SC4.
Deposit Draft Wokingham District Local Plan Policies WCC1, WBE15, WBE16, WLL2 and WLL3.

Informative
2. This permission relates to the application as amended with revised drawing numbers 23286-B sheet 1-4 (artwork) and 200023/8T submitted to the Local Planning Authority on 28th January 2002, showing items/signs 1 and 3 reduced in height to 1.5 metres; item/sign 2 deleted and sign on north (side) elevation deleted and does not approve the proposals as originally submitted.

Anna Cronin
Head of Planning & Transportation
Date: 28/02/2002

Notice checked by: _____

If this notice grants permission to proceed with the proposal the applicant is reminded that it relates to planning permission only and does not constitute approval under any other legislation including Building Regulations.

Received by Wokingham District Council

Application No: A/2001/5261

Proposal:
Proposed erection of externally illuminated post signs and fascia signs.

Location:
Tally Ho, Fleet Hill, Eversley, Hook.

The application is available for inspection at Wokingham District Council's offices during the following times:

PLANNING DEPARTMENT, SHUTE END, WOKINGHAM TEL (0118) 974 6428
8.30 - 5.00 Monday - Thursday & 8.30 - 4.00 Friday

WOODLEY LIBRARY HEADLEY ROAD WOODLEY 9.30am - 7.00pm Mon, Thurs & Fri. 9.30am - 5.00pm Tues, 9.30am - 1.00pm Saturday and 1.00pm - 4.00pm Sunday. Library closed all day Wednesday. If you intend to view this application at Woodley Library please allow 4 days from the date of this letter for delivery of plans and remember to quote application number A/2001/5261 to enable the library staff to locate the correct information.

Comments should be sent in writing QUOTING THE APPLICATION NUMBER to the Case Officer Elaine Vashi P.O. Box 157 Council Offices, Shute End, Wokingham Berkshire, RG40 1WR to arrive on or before 14/12/2001. Written comments submitted will become available for public inspection.

In view of the very large number of planning applications and letters of comment received, it will not be possible for an individual reply to be issued to observations made. However any comments will be taken into account when the application is determined and you will be notified of the decision.

BOUNDARY TREATMENT

OTHERS

Application Number: A/2001/5261

Appraisal:
Development
ORIGINAL APPLICATION:
Advertisements on pub building, car park and vehicular access to be as follows:
Sign 1: no illumination, to be off set from vehicular access
Sign 2: by entrance to be lit upwards
Sign 3: by entrance, no illumination
Sign 4: to be on front of pub, halogen lights to illuminate downwards
Sign 6: to be on side of building, halogen lights to illuminate downwards
Sign 7: (x4) to be in car park as a 'car park disclaimer', no illumination
Sign 13: to be on front of building, individual gold letters 'The Tally Ho', to be lit by three lights from above
Sign 14: wall mounted car park disclaimer, non illuminated
Sign 15: 'entrance sign', to be on front of building – not illuminated.

None of the signs are proposed to be internally illuminated.

The site is located on the edge of the District is a rural area designated as Area of Special Landscape Importance.

REVISED APPLICATION:
Sign 2 deleted and signs 1 and 3 reduced in height from 1.9m and 2.3m (respectively) to 1.5m. Sign 6 on side of building deleted.

1) Impact upon the rural character of the area
Objections were raised from the Parish Council on the grounds that there were too many adverts, no comments were received with respect to the revised plans. 5 of the signs would be disclaimers for the car park which would not be visible as would not be lit. It is not considered that these would have any adverse impacts.
There are existing externally illuminated signs at the pub entrance and on the pub itself, the proposed signs would reflect these, and would also be externally illuminated. Whilst there would be more signs near the vehicular access, they would not be internally illuminated and one would replace an existing sign.

It is recommended that a condition be added to ensure that the signs are only lit externally whilst the pub is open, to safeguard to rural environment.

It is considered that the revised scheme would have no adverse impacts upon the character of the countryside.

2) Impact upon highway safety (parking provision)
Provided that sign 3 is no more than 2metres from the highway, the Highway department would have no objection to the proposed development.

Dear Ms Brown

Application No. A/2001/5261
Site Address: Tally Ho, Fleet Hill, Eversley, Hook
Subject: Illuminated Signs

Further to your letter dated 31 January 2002. The junction of the A327, Fleet Hill and the Blackwater Bridge is a rural village environment. The construction of a Bluebecker restaurant in the village should be commensurate with the village, not necessarily commensurate with the Bluebecker logotype and company style.

There are no illuminated signs in the whole of this part of Finchampstead and Eversley, excepting the traditional pub signs. We require the council to preserve the environment and ensure that the proposed lights are in keeping with the area, do not shine directly into our office windows and do not become a hazard to motorists, our office staff or the local residents.

Yours sincerely,

M J Slater
Chairman

p.s. you will have our office drawings in your offices.

Date: 31 January 2002

To: Highways

We have received Revised Plans for the following planning application:

You are advised to read the accompanying notes before completing any part of this form.

APPLICATION FOR CONSENT TO DISPLAY AN ADVERTISEMENT

Town and Country Planning Act 1990 (Schedule 2 to the 1989 Regulations)

The Town and Country Planning (Consent to Display Advertisements) Amendment Regulations 1993. All documents to be submitted in quadruplicate.

Completed copies of this form and the drawing specified overleaf (see Note 3) should be sent to:- **Wokingham District Council, Planning Department, PO Box No. 157, Civic Offices, Shute End, Wokingham, Berkshire, RG40 1WR.**

1. APPLICANT (Block capitals please)
   Full Name: BLUBECKERS LTD
   Address: BLUBECKERS HILL HOUSE, HOOK RD, NORTH WARNBOROUGH, ODIHAM Post Code RG29 1ET
   Tel. No. 01256 704260

2. AGENT (if any) (Block capitals please)
   Full Name PHOENIX ARCHITECTURE & INTERIORS LTD
   Address: 53 MAIN ST. PANNAL. HARROGATE Post Code HG3 1JZ.
   Tel. No. 01423 815002.

3. Full postal address or location of the land on which the advertisement is to be displayed.
   THE TALLY HO, FLEET HILL, EVERSLEY, HOOK RG27 0RR

4. State the purpose for which the land or building is now used.
   BAR/RESTAURANT

5. (a) Has the applicant an interest in the land?
   YES / ~~NO~~*
   (b) If **NO**, has the permission of the owner, or of any other person entitled to give permission for the display of the advertisement, been obtained? (See Note 4) YES / NO *

6. (a) State the nature of the advertisement (e.g. hoarding, shop sign, projecting sign, etc.)
   POST SIGNS & FASCIA SIGNS.
   (b) Is the advertisement already being displayed?
   (OTHER SIGNS EXIST) ~~YES~~ NO *

7. (a) Will the advertisement be illuminated?
   YES / ~~NO~~
   (b) If **YES**, state the type of illumination (e.g. internally, externally, floodlighting, etc.)
   EXTERNAL
   (c) Will the illumination be static or intermittent?
   STATIC

8. Period for which consent is sought (See Note 2).
   5 YEARS

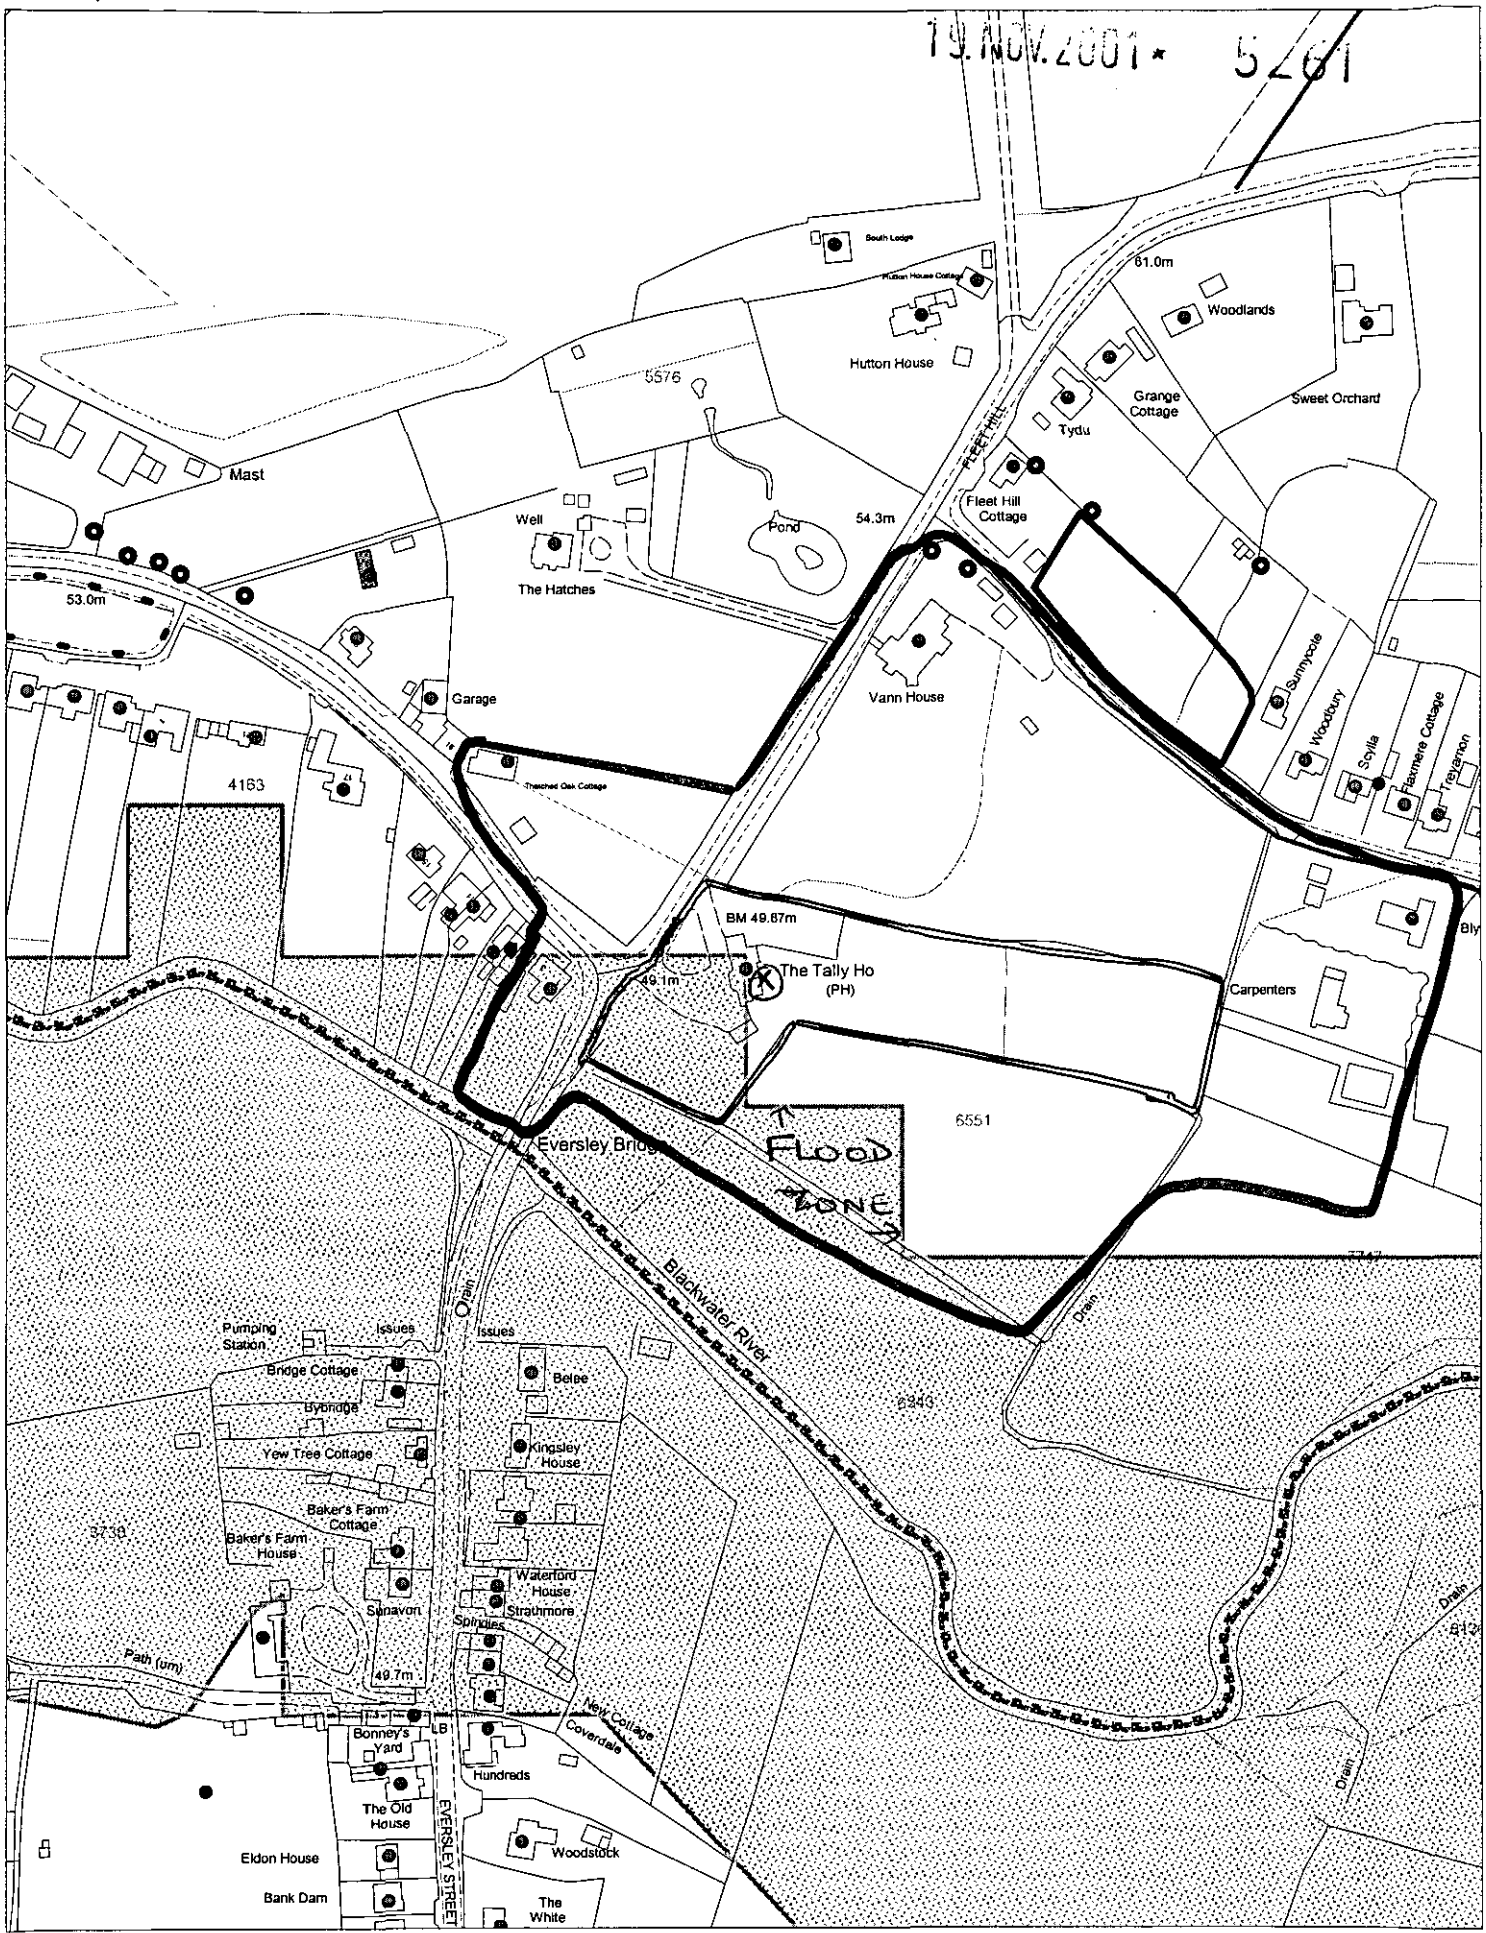

9. Any additional information which you may wish to supply.
   THE SIGNS ARE STANDARD BRAND FORMAT.

* **Delete as appropriate**

I enclose a cheque or money order for the appropriate fee (See Note 6) of £ 70.00

Signed H. Cowie (applicant/agent) Date 23rd October 2001.

We Advise you to Read the following Instructions Fully Before Installing Your Luminaire

Installation and Wiring Instructions for the Hilclare 50-80W Vista Exterior Discharge Area Floodlight

Applications : The Hilclare range of 50-80W Vista Area Floodlights has been designed for a wide variety of external industrial, commercial and domestic environments. These include the localised illumination of door ways, walkways, buildings and signs.

Specifications :
* Supply voltage 240Vac, 50Hz (unless otherwise specified)
* Maximum weight of the fitting is 3.7kg including lamp
* Against electric shock Class II protected with earthed reflector
* Fabricated from polycarbonate base, polycarbonate diffuser and steel mounting bracket.
* Ambient temperature -30°C to +25°C SON and -20°C to +25°C (MBF and Metal Halide)
* IP64

Fasing : Fuse rating (Amps), HRC or type 3 MCB for
50-80W fitting is 4 Amps (1-4 fittings per circuit)
50-80W fitting is 6 Amps (5-6 fittings per circuit)

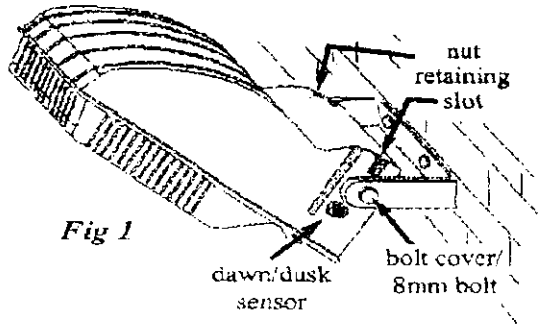

Fig 1

Installation

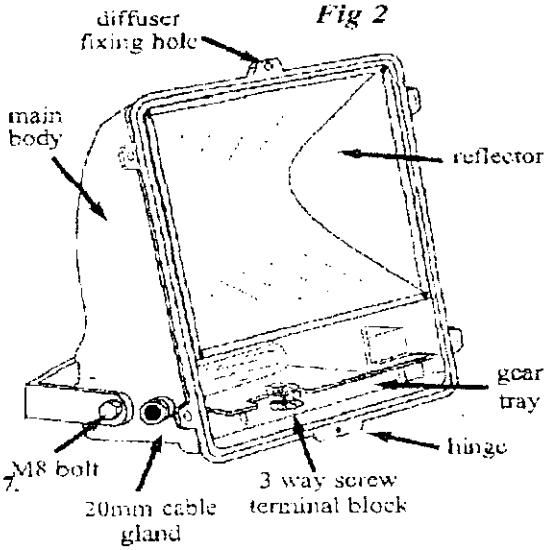

1.Take the fitting from its packing box.

2.The luminaire is now ready to be installed using either method a or b.

method a) stage 1: secure the U-shaped mounting bracket in place
stage 2: secure the fitting to the mounting bracket

or method b) Install the combined fitting complete with mounting bracket

Fig 2

3. If you decide to adopt installation option (a) then you must first dismantle the *mounting bracket from the fitting by removing the 'bolt cover', fully unscrew* the two M8 X 16mm bolts noting the exact location of the associated washers, and remove the nuts which are located inside the nut retaining slots as shown in *Fig 1*.

4. Secure the fixing bracket in the desired location using appropriate nuts and bolts or other fixing means. Take the windage factors and the weight of the fitting into account when determining the most suitable fixing method.

5. Once the bracket has been positioned, secure the fitting back onto the bracket, ensuring you have correctly located the M8 nut back into the nut retaining slots.

6. Next unscrew the six No 8 X 3/8" screws which secure the diffuser to the main body, the diffuser will maintain contact with the main body via a centrally located hinge. With some fittings these six No 8x3/8" screws may be supplied separately in a small polythene bag.

7. To remove the gear housing cover plate, loosen but do not totally unscrew the two No 8x3/8" screws, then carefully lift out the plate. Note the these two screws are also used to secure the lower half of the reflector.

8. Now check that the mains supply is switched off and feed the *3 core mains* cable through the 20mm cable gland which is located on the side of the main body. Ensure that you have sufficient spare cable inside the fitting to make the required wiring connections.

NB. never wire the fitting using flat 'Twin & Earth' cable since this could affect the IP rating and allow ingress of moisture.

9. Now the Live, Earth and Neutral wires can be connected to the terminals of the 3 way screwed connector block taking special note of the L E N positions Fig 2. You will notice that brown, yellow/green and blue internal wires are connected to Live, Earth and Neutral terminals of the 3 way screwed connector block.

10. Now reassemble the gear housing cover plate and screw the appropriate lamp into the lamp holder, then ensure the diffuser gasket is correctly positioned before securing the diffuser using the six No8 X 3/8"screws. Only tighten the screws enough to maintain the IP integrity of the fitting.

Note: ensure the "this"

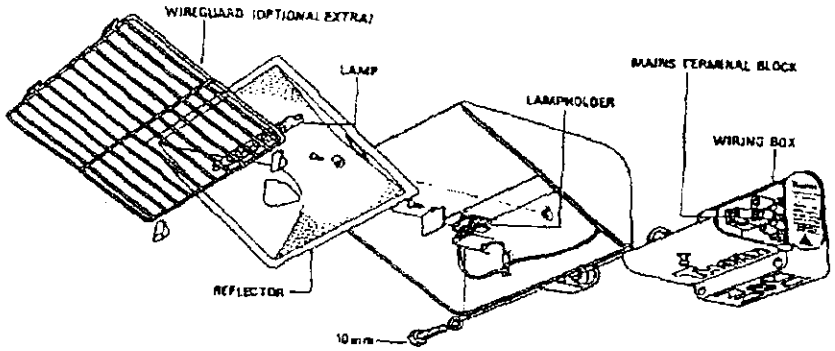

1 NOV 2001

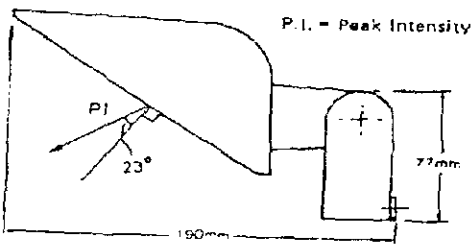

IP23 CE

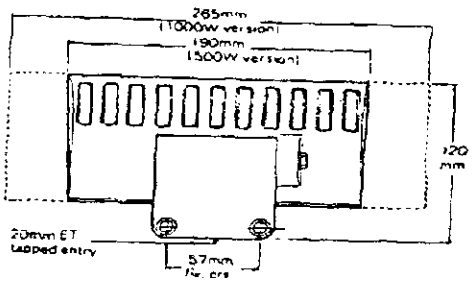

Installation and Wiring Instructions for Sunflood Range

AT 8025 – J

NOTE THAT THIS LUMINAIRE IS DESIGNED FOR EXTERNAL OPERATION ONLY

INSTALLATION AND MOUNTING

Mount luminaire in selected position using one (or a combination) of the mounting accessories shown below.

Do not mount luminaire on combustible surfaces and ensure that the minimum distance from any lit surface is greater than 1 metre.

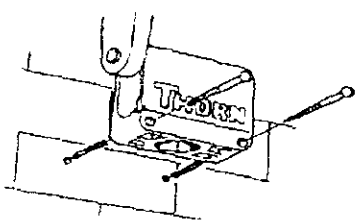

1 m

Do not mount luminaire in the manner shown below.

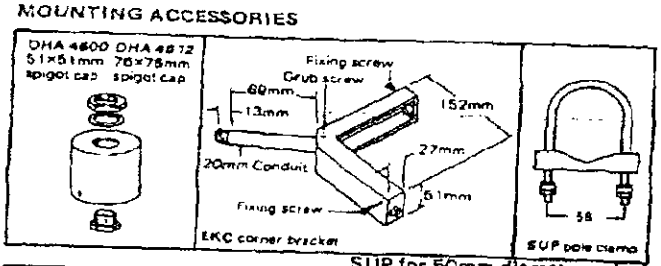

To ensure full lamp life when operating luminaires with 500W, 750W or 1000W lamps mounting must be within ± 4° of the horizontal. When using either 200 or 300W lamps this restriction is not applicable due to the universal operating positions of these lamps.

Note that luminaire can be directly wall mounted using 2 No. 12 X 2½ in. roundhead screws through the holes provided in the wiring box although no horizontal adjustment is then possible. (see diagram below).

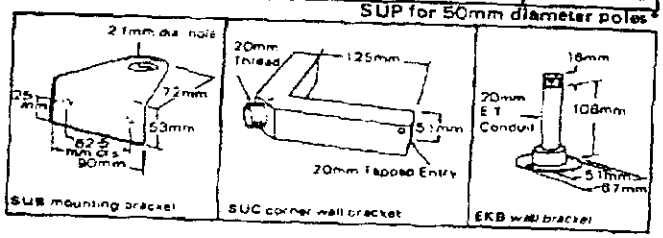

It is also possible to mount luminaires on Aluminium lighting columns. Details of combinations, additional items required etc. can be obtained from your local Lighting Office.

MOUNTING ACCESSORIES

SUP for 50mm diameter poles*

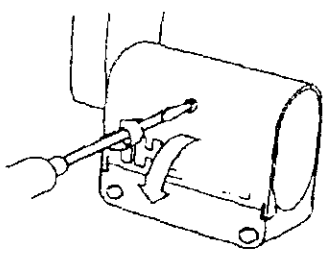

* If mounting to 60mm diameter poles use pole clamp SUA in conjunction with the SUB mounting bracket.

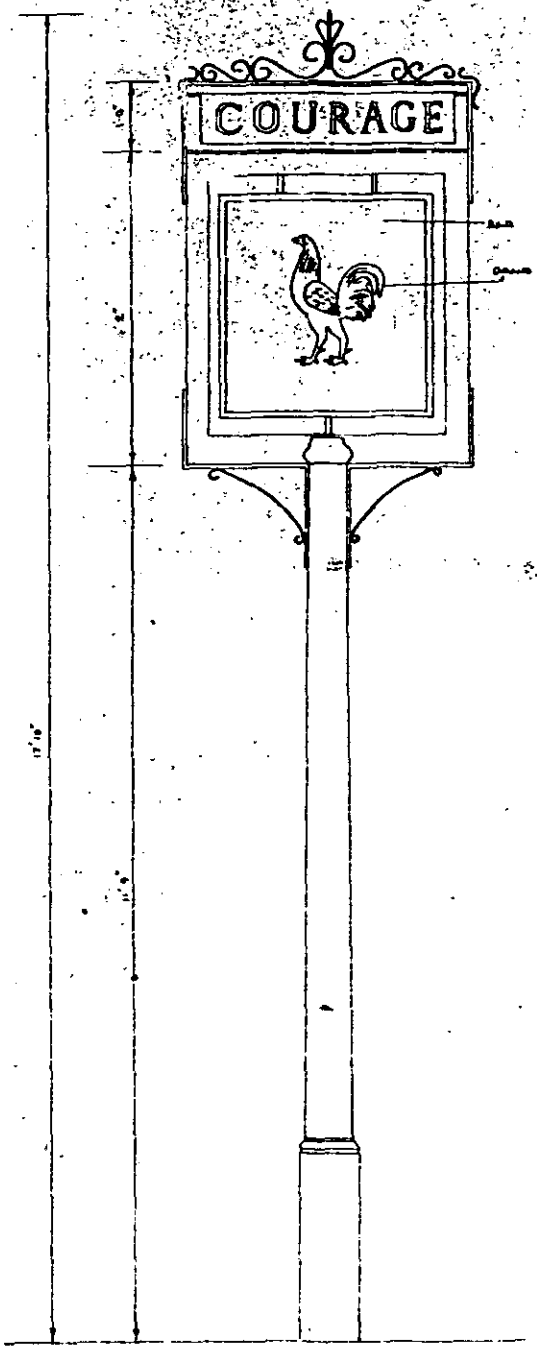

WIRING INSTRUCTIONS

1. Loosen wiring box cover screw and hinge cover forward to expose mains terminal block.

   Note that cover may be removed completely by holding at approximately 45° to wiring box and twisting in a clockwise direction.
