Appraisal:

The proposed development is for formation of a 1 metre high hedge to the front and side of the dwelling, to enclose the side garden.

The property is semi-detached, on a corner plot and is currently open plan. The proposed hedge requires planning permission due to a restrictive condition limiting the erection of walls, fences, gates, hedges or any other means of enclosure.

1. Impact upon neighbouring properties

It is not considered that there would be any adverse effects upon neighbouring properties as the hedge would be only 1m in height and away from any other properties.

2. Impact upon the character of the street scene

The hedge would by only 1m in height, would be set back from the highway edge by at least 1m and would have no adverse effects upon the character of the street scene.

3. Impact upon highway safety

The proposed hedge will have no impact upon highway safety provided it does not exceed 1m in height and the outer most edge of it is maintained at least 1m form the highway boundary.

For the Attention of the Planning Officer

Dear Sir,

Re: Proposed hedge to boundary of 16 Burnt Oak

I am the owner of 16 Burnt Oak and I wish to plant a hedge bordering my property to prevent trespassing and dogs fouling my front garden, which extends to the side of my house.

The property is on the corner of Burnt Oak and my garden extends from the front of my house to meet the garden of 37 Mornington Avenue.

I did discuss this matter with your office a couple of months ago and subsequently contacted Mr Steve Auton of your Highway Department, a member of which department visited the site a few weeks ago and in his opinion did not foresee any problem with the proposal of a one metre high hedge, as shown on the application form and drawing attached, as it will not obstruct visibility to traffic.

I await your early reply.

Yours truly,

P. Ghosh.
