Consultation Responses :

Earley T.C: No objection.

Planning Issues :

1) Impact upon neighbouring properties
2) Impact upon Street Scene.

Application Number: F/2001/5265

Appraisal:

The proposed development is for a single storey rear extension. It would be 4m wide, 3.2m deep and have a single pitched roof, 2.3m to the eaves and 3.6m to the ridge.

The property is a mid terrace and has 1.8m fence enclosing the rear garden.

1. Impact upon neighbouring properties

It is not considered that there would be any adverse effects upon neighbouring properties as the proposal is single storey in nature and has a single pitched roof which minimises the potential impact of the proposal. No objections have been received.

2. Impact upon the character of the street scene

The proposed development would not be visible form Chilcombe Way, the materials used would match existing and it is therefore considered that there would be no adverse effects upon the character of the street scene.
