COMMENTS:

If this application is passed following issue will arise as

1. Traffic Jam
2. Crowd/Noise as prayer happen several times a day
3. Safety
4. Bottle neck
5. Parking issue
6. Environment impact - Pollution
7. Maidenhead , Reading , Windsor , Bracknell already have these centre they can be used .
8. MOST important . There is a Sikh temple already on its way strong chances of violence between community as it keeps on happening in Slough.

I strongly disagree for the above application to go ahead . It should at all cost not to be allowed .
