COMMENTS:

I live within 1 mile of the proposed mosque. I work in a local school and have been living in WBC for the last 10 years, paying tax to WBC. We are family of 5 and would strongly support the local mosque in WBC were we can commute by walking. If we go to other mosques, we will add to existing traffic & parking issue. The area of proposed mosque is not residential, it is surrounded by stores like Wickes and Halfords, hence no issue with traffic. Next to the proposed mosque is planned a Gurdwara, hence the area is best suited to a place of worship.
