COMMENTS:

I strongly object to the planning application for the following reasons:

1.Traffic Jams along the major arterial road between Reading and Wokingham.

All local households would be affected by major traffic congestion on this already very busy road.

2.Crowd/Noise (as prayers happen several times in the day/night)

night)

3.Safety

4.Bottleneck

5.Parking issues

6.Environment impact - Pollution and Noise

7.The location is currently a private unit for business not be used for public use

Maidenhead, Reading, Windsor, Bracknell - already have these centres!

They need to be used!
