COMMENTS:

I would like to support the building of islamic education, worship and community centre as it will cater to the growing needs of people of islamic faith in this part of the community. Right now we have to travel to either the Aisha Masjid located at the end of A329 (Thames valley park) or Alexandra Road mosque nearer to the University and town centre. Hence building of this centre will ease the burden on these 2 existing mosques and ultimately result in lesser traffic/congestion in these busy parts of the town.
