COMMENTS:

I object to building this for the following reasons:

1. The Winnersh Roundabout is a very busy roundabout with Showcase Cinema, Garden Centre, Bar and Block pub and not to mention Wickes and other shops, building a study centre will create parking as well as traffic issues in the already at risk of too much traffic roundabout.
2. There are more than 12 Islamic Study Centres already within 5 miles radius, there is not a need to create one more. There is one within University of Reading with ample parking which is only two mile away from the proposed center.
3. Parking at Showcase will be difficult as people may park here resulting an influx of risk of accident for children trying to cross the road to go to the centre.
4. Residents will face problems as people may park on side roads making it difficult for them to go in and out of their houses.
5. In today's online world, studying of any religion can be done through Google Classroom, Teams and many other platforms if need be or one of the many centers can be visited for physical studies- I reiterate to the fact that there are 12 within a 5 mile radius.
