Dear Sir/Madam,

Oak Dale, Lower Wokingham Road, Crowthorne, Wokingham, RG45 6BX

Approval of Details Application Pursuant to Planning Permission 223256

Planning Condition 8 – Archaeology

Planning Portal Reference PP-14024420

I am writing on behalf of Barchester Propco 2019 Limited (the applicant) in support of an approval of detail application relating to the proposed development of the above site.

The principle of redeveloping the site to provide a new care home has been established through a planning permission which was granted at appeal on 26 September 2024 (LPA Ref: 223256, Appeal Ref: 23/3336000).

The decision notice contains a total of 28 planning conditions, several of which require details to be submitted to and approved by the local planning authority prior to various stages of the proposed construction works.

This approval of detail submission relates to condition 8 (archaeology) and is supported by the following accompanying information:

- Covering Letter
- Planning Application Form and associated fee
- Written Scheme of Investigation for Archaeological Evaluation (May 2025) (Reference 315200.1)

We trust that all is in order. However, should you have any queries in respect of this submission please do not hesitate to contact me.

Yours sincerely,

Adrian Kearley
Director
