NOTIFICATION OF REFUSAL OF CERTIFICATE OF LAWFUL PROPOSED USE OR DEVELOPMENT

Application Number: 250431
Applicant Name: Mr & Mrs McLachlan
Site Address: 2 Payley Drive, Wokingham, RG40 5YW
Proposal: Application for a certificate of lawfulness for the proposed part garage conversion to create habitable accommodation along with changes to fenestration.
Date of Decision: 16 April 2025

Wokingham Borough Council hereby certifies that on 25 February 2025 (being the date of application for this certificate), and subject to any conditions and/or informatives below, the operations described in the First Schedule to this certificate in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, **would not have been lawful** within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1. The proposed part garage conversion to create habitable accommodation along with changes to fenestration constitutes development requiring planning permission. Permission is not available under Article 3 of the Town and Country Planning (General Permitted Development) Order 2015, the proposal not being in accordance with Schedule 2 (Part 1) (Class A) of the Order. This is because Condition 4 under Planning Permission 192748 states that notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), the garage accommodation on the site identified on the approved plans shall be kept available for the parking of vehicles ancillary to the residential use of the site at all times. It shall not be used for any business nor as habitable space.

Informatives

1. This certificate is issued in respect of plan no. 25/966-02 Rev A received by the Local Planning Authority on 25th February 2025.
