Dear Sirs,

BOATHOUSE, RIVER BANK, BOLNEY ROAD, LOWER SHIPLAKE

My clients would like to erect a simple boathouse/shelter where their garden abuts the Thames. From our records and from the details of the site, there has been a dock/slipway here for many years.

We have designed the shelter to have as low a profile as possible, so it has little impact on the garden, the view form the Thames and the adjoining neighbours.

The building is proposed to be left open in order to allow for any flooding when the river is full. We have covered the roof in shingles in order to give a more traditional finish, yet still keep the pitch shallow.

I enclose the following in order to make a detailed application:

- 4 copies of application forms
- Certificate A
- 4 copies of drawing no. 1480/40 and location plan
- Deposit cheque in the sum of £95

If you have any queries concerning this application please do not hesitate to contact me.

Yours faithfully,

A.M. Andrews.
