

251551 Hill Farm Jouldings Lane CONSULTATION RESPONSE from Berkshire Archaeology

251551 Hill Farm Jouldings Lane Farley Hill Wokingham RG7 1UR

Full application for the change of use of buildings and yard area to be used as a firewood enterprise (retrospective).

Thank you for consulting Berkshire Archaeology re the above application.

I have reviewed the application and, although in an area with potential, I do not believe there will be/have been any ground impacts which would affect archaeology.

Therefore, I do not recommend archaeological mitigation for this application.

Kind regards
