Comments On Proposal

Please use this section to detail any positive, satisfactory or negative aspects of the proposals relating to planning matters. Any additional information or negotiations required can also be detailed in this section.

Environmental Health has reviewed the proposed variations, including substituted plans and updates to the landscaping and construction-related conditions.

The changes do not introduce additional environmental health risks and do not materially alter the impact of the development on local amenity or environmental quality.

Environmental Health raises no objection to the proposed Section 73 variations. No Environmental Health conditions are required.

Conditions & Reasons (if required)
