Notes

A full qualitative analysis of tree cover (The Tree Data Schedule) accompanies this drawing.

Do not scale off drawing - refer to Tree Data Schedule for accurate crown spread measurements.

Depictions of tree canopies are based on measurements taken to four cardinal compass points.

The original of this drawing was produced in colour – a monochrome copy should not be relied upon.

1. Trees recorded as Ancient or Veteran in the Ancient Tree Inventory are shown with their specific Buffer zones instead of smaller RPA that would otherwise apply.

2. Ecological value must be checked as retention may still be appropriate / necessary.
