Statement of Community Involvement

The applicant has referred to the Council's Statement of Community Involvement (March 2019).

Appendix 2 of this Statement refers to a change of use application as falling within the "Other Applications" category.

Table 5 of this Statement sets out the indicative methods of engagement for planning applications. For the "Other Applications" category, the requirement is to display a Site Notice. If a relevant Site Notice is sent to the applicant by the Council, then this will be displayed in a prominent position for the required period of time.
