COMMENTS:

Hi,

I would like to object to the proposed Gypsy and traveller site directly behind my garden.

This was not on any of the original proposals. If it had been then we would have moved house by now.

This planning has knocked circa 40k of the value of our house which a local estate agent has informed us.

Its bad enough the whole development, but to put this site near established families and homes, nowhere near the new development, is unfair and is causing us financial and emotional distress.

Please can this be proposed somewhere else on the masses of land you are potentially developing.
