

PLANNING REF : 252896

I strongly support the proposal for a natural burial ground at Brookfield Farm, Old Wokingham Road, Crowthorne, Wokingham (RG40 3BU). It offers a respectful and environmentally sustainable alternative to traditional burial practices, while enhancing local biodiversity through tree planting, wildflower meadows, and habitat creation. I particularly welcome the inclusion of a pavilion/chapel, which would provide a quiet, reflective space where people can pray and find peace in an increasingly busy and noisy world. This thoughtful addition will benefit not only those attending services, but also the wider community seeking a place for contemplation. Overall, this is a positive and sensitive use of land that supports both environmental goals and community wellbeing.

PROPERTY ADDRESS : 1 Coney Grange

: Bracknell

: RG42 2PN
