Introduction

This car parking management plan is for the parking to the proposed development of the two cottages 36 & 38 Rose Street, Wokingham.

Management Objective

The purpose of this plan is to ensure that on-street parking of resident and visitor vehicles associated with the properties are kept to a minimum in the interests of highway safety and that appropriate parking is provided in accordance with Wokingham Council policy.

Car Parking Provision

There is resident and visitor parking available on Rose Street. Residents of Rose Street can apply for two parking permits per household. These cost £30.00 per permit and are free for pensioners and registered disabled drivers.

For visitors, there is a public car park opposite the properties with 43 spaces at a cost of £1.20 for two hours. There is on street parking during the day where visitors can park for 30 minutes for free (figure 1)
