COMMENTS:

Twyford Parish Council's Planning & Amenities Committee wish to highlight the Twyford Neighbourhood Plan, in that it discourages the use of fossil-fuel-based heating systems where suitable alternatives are viable.

In this instance, however, the Planning & Amenities Committee acknowledges that the application relates to a grade II listed almshouses and that due to heritage, fabric and practical constraints, alternative non-fossil-fuel heating options are not considered suitable at present. On this basis, while the proposal does not align with the Neighbourhood Plan's aspirations, the Committee raise no objection in principle.
