COMMENTS:

I write with regards to Planning Application 250748.

Further to the comments I submitted on your webform earlier today, I have attached a picture of the two existing first-floor windows in the side elevation of 48 Silverdale Road, which face 50 Silverdale Road.

These differ from the three upper-floor windows that have been stated as existing.

If you could upload this picture to the planning portal upon receipt then it would be much appreciated.
