COMMENTS:

I am writing to express my strong support for the proposed mosque in Wokingham. The Muslim community in the area has grown significantly, and it is essential to have a dedicated space for worship and community activities. Currently, many residents travel long distances to attend prayers and events, and this new mosque will alleviate that strain.

Our community is committed to being good neighbors, contributing positively to society across various sectors. This mosque will foster understanding, inclusivity, and mutual respect, benefiting everyone in Wokingham. Looking forward to having a local mosque!  
Thanks
