COMMENTS:

This is a very good initiative by the local Muslim population. Currently there is no dedicated prayer place for Muslims in Wokingham. The other centers are in Reading and Woodley which are quite far and going back and forth there everyday is not practical. It. With the growing muslim population in Wokingham, a dedicated Islamic center is the current need of residents.

As we see that there are a lot of churches in the area. Muslims have no dedicated place to pray. Please approve this application to support this need of local Muslims in the area.
