WOKINGHAM DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACTS

Notification of Approval of Permission

Mr D Baigent
C/O W M Graham Associates
1 Rectory Road
Wokingham
Berkshire
RG40 1DJ

Application Number: F/2000/0360

Parish: **FINCHAMPSTEAD**

Location: **Kintaline, Lower Wokingham Road, Crowthorne.**

Proposal: **Proposed demolition of part of dwelling and re building to form a 5 bedroom house.**

The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Condition
1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Condition
2. Before the building operations hereby permitted are commenced, samples and details of the proposed external materials shall be submitted to and approved in writing by the Local Planning Authority and no external materials shall be used other than those approved.

Condition
3. The area shown on the permitted drawings for vehicle parking and turning shall be kept available for such use and no development, whether permitted by the Town and Country Planning (General Permitted Development) Order 1995 (or any Order revoking and re-enacting that Order) or not, shall be carried out on the land so shown or in such a position as to preclude vehicular access to this parking space.

Condition
4. The bathroom window in the south side elevation of the proposed development shall not at any time be glazed other than with obscure glass.

Condition
5. No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority details of all tree protection on the site. This should include all trees within the front garden of the application site as well as the Norway Spruce in the neighbours garden (No.2 Talisman Close).

Condition
6. No work of any sort shall take place between the hours of 1800 and 0800 Monday to Fridays and 1330 to 0830 Saturdays and no work shall take place on Sundays or Bank Holidays.

Condition
7. Provision shall be made to accommodate all site operatives' visitors' and construction vehicles loading, off-loading, parking and turning within the site during the construction period in accordance with details to be submitted to and agreed in writing by the Local Planning Authority.

Reason
1. In pursuance of Section 91(1) of the Town and Country Planning Act 1990.

Reason
2. To ensure a satisfactory external appearance.

Reason
3. Development without adequate provision for vehicle parking would lead to parking inconvenient to other road users and detrimental to highway safety.

Reason
4. In the interests of residential amenity.

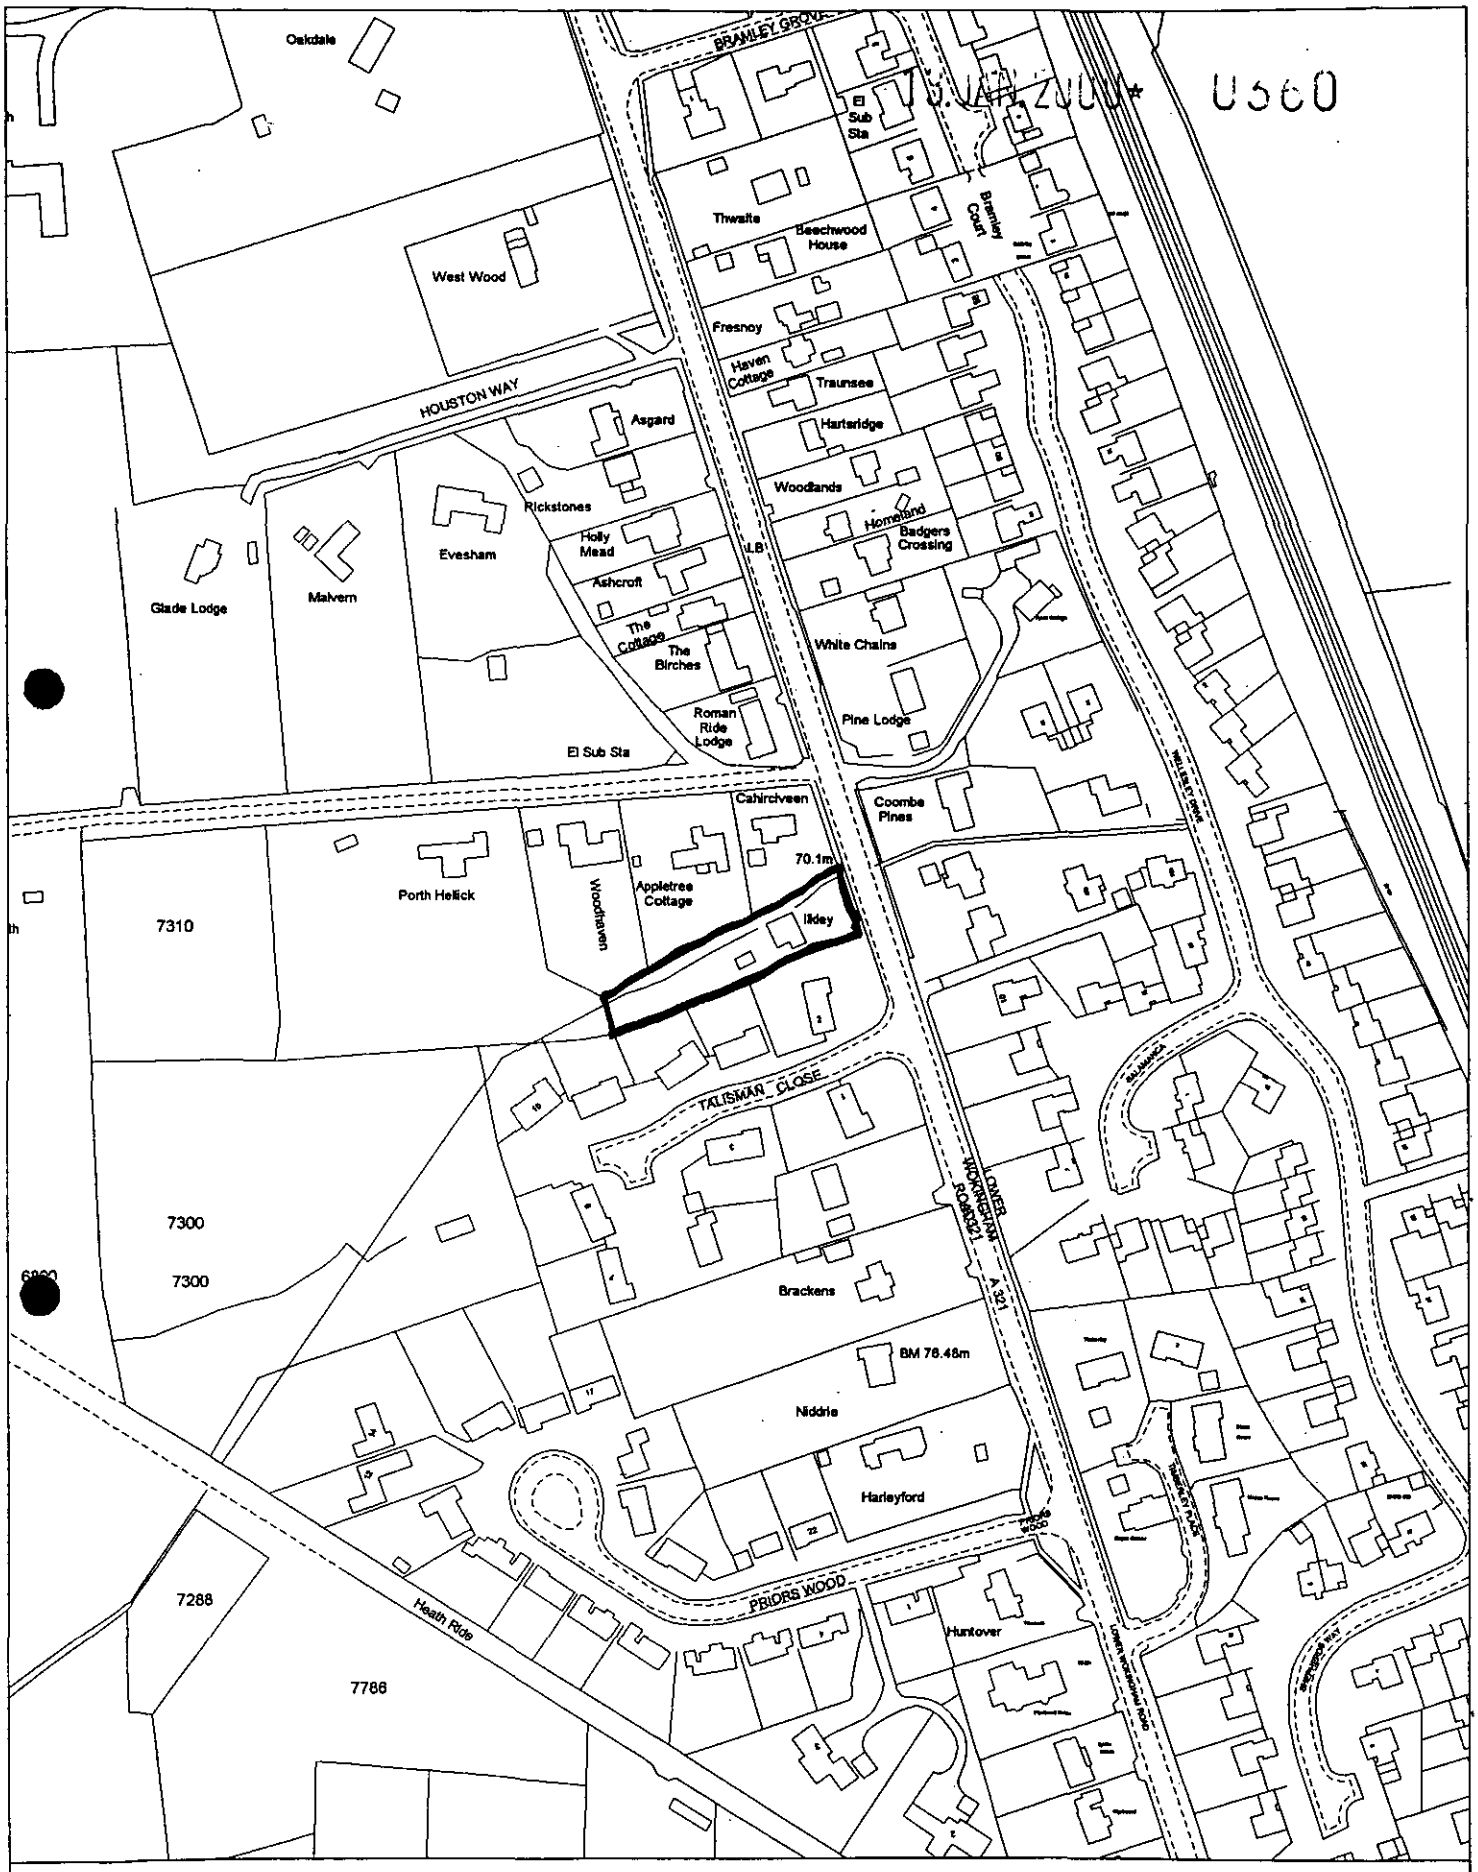

Reason
5. In the interests of the future health and amenity value of the trees.

Reason
6. To safeguard the amenities of neighbouring residents and the locality.

Reason
7. In the interests of highway safety and convenience.

Application Number: F/2000/0360
PROP: PARTIAL DEMOLITION OF EXISTING DWELLING & REBUILD
Appraisal : TO FORM 5 BEDROOM HOUSE.

IMPACT UPON NEIGHB. PROPS:
The existing dwelling is a detached chalet style bungalow set on an extensive site & set well back from the main road. The dwelling is located between 2 large detached properties, 'Cahirciveen' & no. 2 Talisman Close. The rear gardens of both these properties adjoin the application site. The existing dwelling occupies a foot-print of approx 94.9m² & stands @ approx. 6m at its highest point. This application is the second of 2 which are currently being considered on this site. The 1st app. proposes a 5 bedroom house with a footp. of approx 159m², whereas this app. proposes a smaller scheme with a f.print of approx. 114m².
Although both schemes will result in a large 2st. dwelling, this scheme will result in less mass & bulk in built form as it extends 12m to the rear, as opposed to the 1st scheme which extends 15.5m to the rear.
This scheme proposes a small bathroom window in the side @ 1st floor level in the S. side elevation & 3 windows on the landing @ 1st fl. level in the N. side elevation. It is recommended that these windows be obscurely glazed. On this basis it is not considered that they will have an adv. neg. impact upon the living cond. of other neighb. props. Also given the distance of the dev. from these props (approx. 25m from 'Cahirciveen' & 12m from no. 2 Talisman Close) it is not considered that the massing or scale of the scheme will have an overbearing impact on these props or will infringe upon their daylighting.

IMPACT UPON ST. SCENE:
The prop. scheme will be set back from the main road by approx. 19m. Given this & the mature landscaping to the front & side boundaries it is not considered that the proposal will have an adverse neg. impact upon the st. scene.

Recomendation : Approval: ☑ **Refusal:** ☐
(tick appropriate box)

It is also considered that the proposal is not in character with the neighb. props.

DATE: 17/03/00

Proposal: Partial demolition of existing dwelling and rebuilding of dwelling.
Application Number: F/2000/0360

In response to your consultation dated 8th March 2000 for the above application, the arboricultural comments are as follows:

Table 1 of BS 5837:1991 'Guide for trees in relation to construction' recommends a minimum protected distance around each tree based on its size, age and vigour. This is the minimum requirement for protective fences and excavations likely to severe roots. It is measured from the centre of the trunk. In some cases where development is on one side of the tree only, the distance can be reduced by one third providing there is a corresponding increase in undisturbed land in other directions.

In the case of the Norway Spruce growing in the neighbours garden the minimum requirement is 6.0 metres, reducing to 4.0 metres on one side only.

The drawing shows the scheme to come to within 6.0 metres of the tree and is therefore acceptable.

A condition should be attached requiring details of tree protection measures to be submitted. This should include all trees within the front garden of the application site as well as the Norway Spruce in the neighbour's garden.

Proposal: PARTIAL DEMOLITION OF EXISTING DWELLING AND REBUIDING OF DWELLING

Application Number: F/2000/0360

In response to your consultation dated 24th January 2000 for the above application, the arboricultural comments are as follows:

The proposals may result in damage to, or the loss of the Norway Spruce growing in the garden of 2 Talisman Close. This tree is highly significant in the surrounding landscape and is designated T13 in the Tree Preservation Order No. 324/1987.

Please could you ask the applicants to supply a drawing accurately showing the position of this tree in relation to the proposals?

The Pine tree shown to be removed appears to be a reasonable specimen. However, it is very close to the existing dwelling and there is another Pine further back. Therefore I would not raise any objections to the removal of this tree.

All other trees are shown to be retained. Details of how these will be protected during demolition and development should be submitted.
