Dear Harold.

Further to our conversations last Friday, please find enclosed copies of all of the plans that I have.

I believe that the plans are as the house is now with the exception of the wall between bedroom 3 & the Utility room & the Utility room & dining room, which I have marked on the plan.

As you stated, I think the most logical step would be to meet at the cottage again in order to compare with the plans you have found.

Please feel free to call me on one of the numbers below to arrange a suitable time.

I would like the visit to happen as soon as possible in order for me to be able to proceed quickly with any required listed building consent application.

I look forward to hearing from you shortly.

Yours sincerely.

Dear Mr Long

PROPOSE INTERNAL ALTERATIONS AT THE LAKES, WALTHAM ROAD, RUSCOMBE

Following our meeting on site on 24th November, I agreed to establish which works were approved in 1991.

The micro-copies (on our copies) do not appear to be as per the plan forwarded with your letter.

I can confirm that the partition between bedroom 2 and the landing and the blocking up of the door to the bathroom were part of the original application. Listed Building consent for the new doors will be requested plus the removal of the staircase and the addition of flooring over bedroom 3.

You may have in your legal documents and your records the following information:

1. Plans and elevations of the original cottage as now.

2. Plans and elevations of appearance scheme.

We will require plans and elevations modified to show;

i.e.
- 3.1 door to upper landing added ✓
- 3.2 door to bathroom re-installed ✓
- 3.3 bedroom 3 enlarged by removal of one wall and ✓
- 3.4 relocation of wall between bedroom 3 and dining room ✓
- 3.5 modification to ceiling over bedroom 3 ✓
- 3.6 removal of staircase between bed 3 and bed 2. ✓
- X 3.7 relocate window to roof storage area. X

There appears to be some confusion on the extent of the works approved as against the works carried out.

You may wish to clarify this before preparing the necessary drawings for the new listed building application.

Please give me a call if you wish to clarify any of the above points or meet again on site.

Yours sincerely

Dear Harold,

Re: The Lakes, Waltham Road, Ruscombe

Further to our conversation today, I am writing to advise you of the internal alterations we would like to make to our property. As discussed, I think the next step would be for you to visit the property to see exactly what we would like to do.

The proposed internal alterations are as follows (please see attached plans for reference):

Phase 1;

Remove the staircase from ground floor bedroom 3 up to first floor bedroom 2, brick up the wall and replace the ceiling area in bedroom 3.

Put in a doorway from the 'landing' at the top of the stairs from the kitchen, through into bedroom 2.

Re-open original doorway between bedroom 2 and bathroom.

Phase 2;

Put in some sort of stairway from bedroom 2 up into the open 'galleried' roof area above part of bedroom 2 and the bathroom.

Put in a velux roof window in the roof above the bathroom window on the southside elevation.

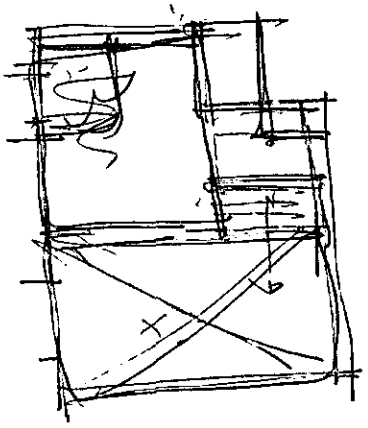

I trust that I have provided you with enough information above but please feel free to call me if you require any clarification.

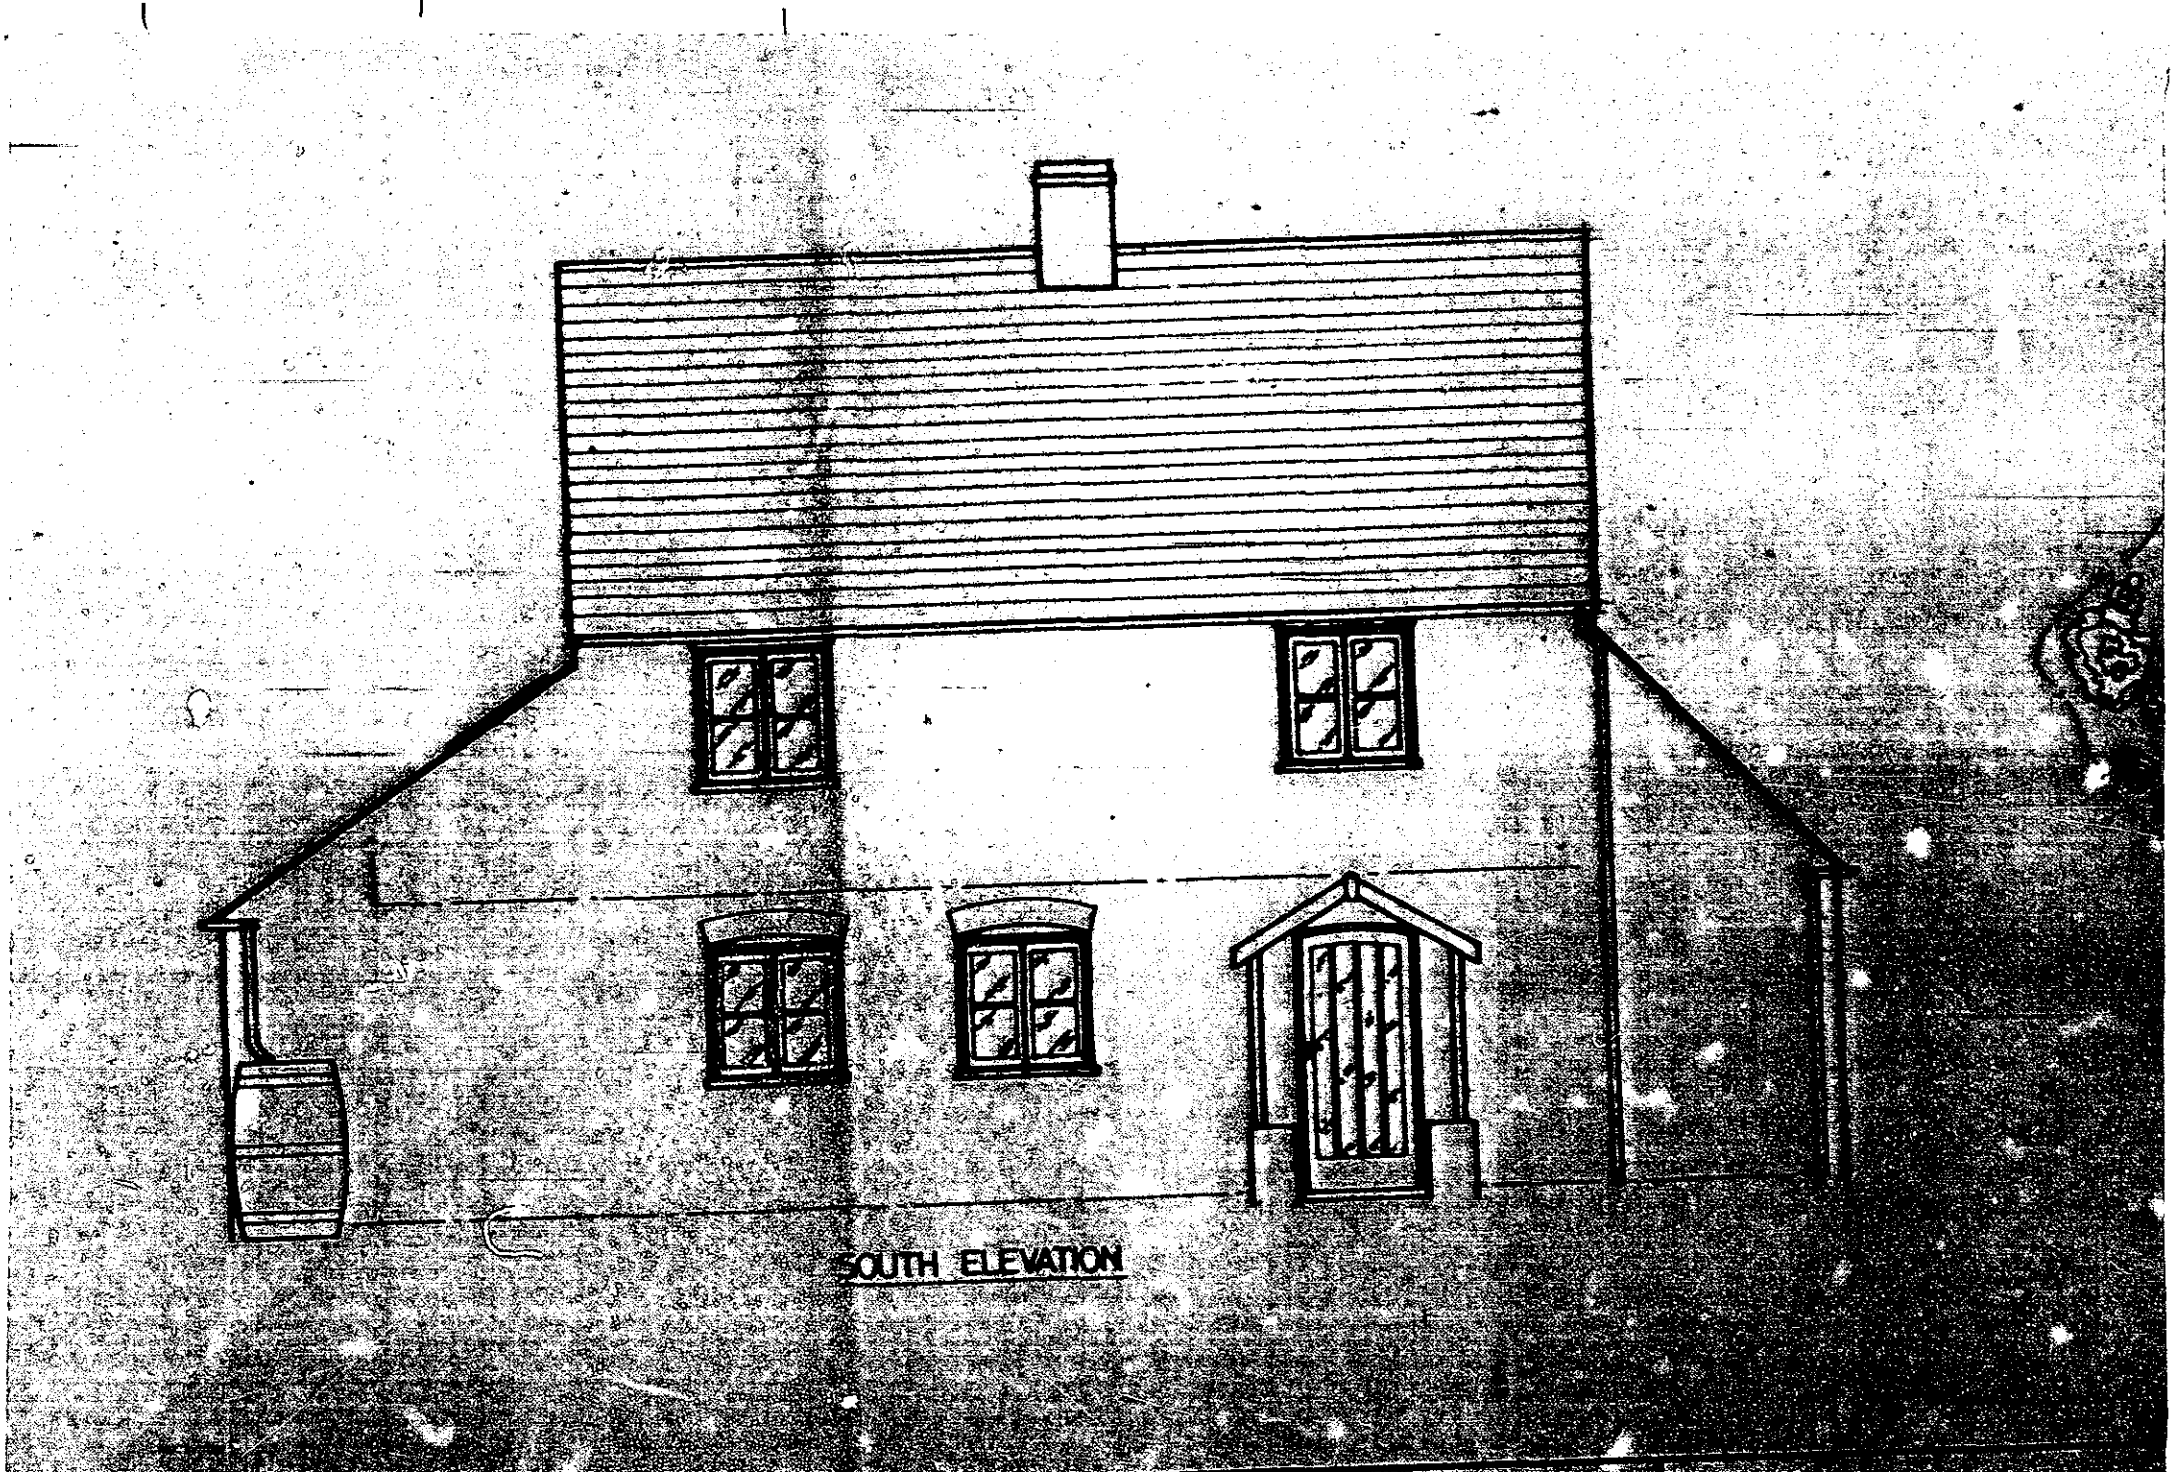

I look forward to hearing from you in due course.

Yours sincerely,

Richard Long

Dear Nicola,

Re: The Lakes, Waltham Rd, Ruscombe.
Application Numbers LB/2000/0378 and LB/2000/0379.

Application LB/2000/0378
Further to your letter dated 13th April 2000, granting Approval on the above Listed Building Application, and following a conversation with Harold Sanders this morning, I can confirm that in relation to CONDITION 3, all new doors will be ledged, braced and battened and that the general door profiles will match the existing door profiles in the house. All new skirtings and arkitrays will also match any existing sizes and finishes and generally all work will be carried out in a manner to match the age and style of the house in order to maintain and enhance its existing appearance. o.k.

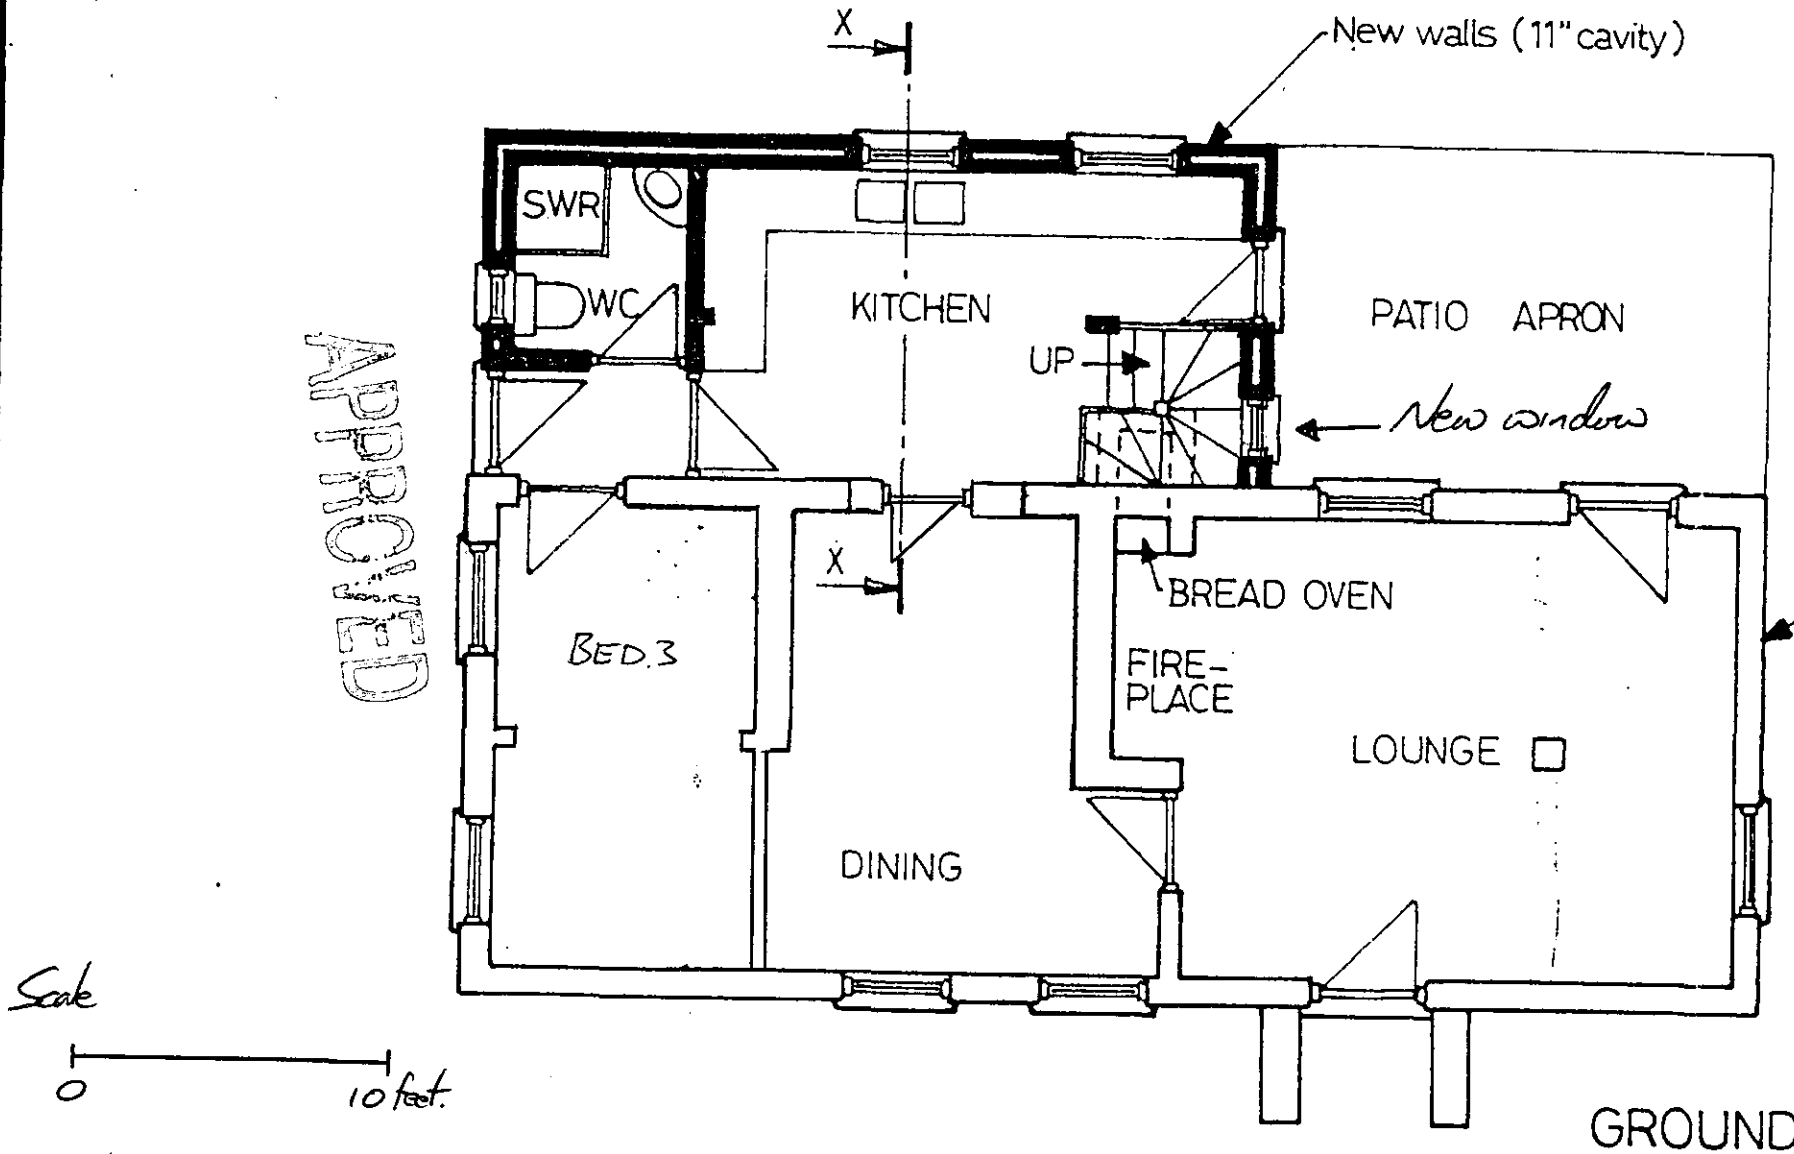

Please can you confirm in writing that this condition has been discharged in order for me to commence building works.

Application LB/2000/0379
I understand from Harold Sanders that there is an issue with the additional 'velux' roof window contained within this Application. After discussing this with Harold this morning, I would like this Application to be put on hold, until the works contained within Application 0378 have been completed and Harold has been to site in order to review suitable alternatives to the roof window. Please can you confirm that this is satisfactory to you. Good idea (may come back once initial works have been carried out).

Yours sincerely,

Richard Long

Appraisal :

i.) Impact upon the listed Building

The proposed development is for internal alterations, to remove a staircase, break up the remainder of the wall, replace the area of ceiling and to open up two previously sealed doorways.

The conservation architect is satisfied that the proposed development within the application will have no significant effect upon the character of the listed Building, as much of the work is to replace previous alterations which do not contribute to the historic character of the listed Building.

As such the proposal works will have no detrimental impact upon the Historical character of the listed Building.

Dear Nicola

Re: The Lakes, Ruscombe. your letter Ref NL/Wargrave/2B.

further to our conversation earlier in the week. please find enclosed a completed 'Application for Listed Building Consent'.

This is to cover the additional window, as per the enclosed plans. which was not covered by approved application 38801.

Please can you add this as an addition to one of the applications that were sent to Mrs C. Hurst earlier this week. The easiest one would be the application that covers the removal of one internal

staircase & the opening up of two older doorways.

As discussed, this window was installed some five years ago at the same time as the extension under 38820/1, was built & completed.

Please call me on 07747-062198 if there are any problems with the paperwork.

I look forward to hearing from you shortly.

Yours sincerely,

Richard Long
