Proposed Garage Conversion
11 August 2025

Existing External

Existing Internal:

Internal Wet room that occupies the back half of the original integral garage. Separated by a stud partition. (Partition is the wall with the wash basin and WC on)

Proposed External:

- Replace Garage Door with double glazed window to match size and alignment with bathroom window above.
- Replace flat roof with lean-to sloped roof

Proposed internals: (See separate drawing for internal proposal)

- Create a habitable room downstairs to be used as home study and guest room.
- Create an understairs WC cloakroom.
