COMMENTS:

I strongly object to this proposal that completely destroys the concept of our village .
We already have to live with a massive (and as yet unfinished) development at what was Arborfield Garrison .This development attempts to make Shinfield , Arborfield and Lower Early nothing less than a suburb of Reading .it is against everything I have ever sought in our local village plan which I had thought could prevent developments such as this .. A failure in our planning system if it is allowed to proceed .
