COMMENTS:

1.
The side extension has already been built, attaching to an adjacent property with no permission sought.
2.
A window has already been opened up, at first floor level, which overlooks an adjacent property. This window is not shown on the plan.
3.
The owner has installed boundary fencing, on both sides, which is above the permitted height.
4. Significant lighting has been installed, at both the front and rear of the property, causing a nuisance to surrounding properties.
