COMMENTS:

I wish to formally object to the proposed conversion of the Halfords store into a mosque. While I respect the importance of religious spaces, this location is not suitable for such a purpose. The store is situated in a busy retail area, and right by a main traffic junction and converting it into a mosque could lead to significant disruptions in terms of parking, traffic congestion, and noise, especially during peak prayer times. We have very few local shops and I believe it would be more beneficial to explore other sites better suited to serve as a place of worship, without impacting the surrounding community and infrastructure.
