COMMENTS:

I am writing to support the planning application for an Islamic community centre and mosque in Wokingham. As a resident of Wokingham for many years, I have seen the Muslim population grow, now making up 4% of our community according to the 2018 census. It is time for Muslims to have a local place of worship.

Some believe that Islamic centres in the surrounding areas will suffice, but they do not

meet the specific needs of Wokingham's Muslim community. This centre will provide a vital hub for social, cultural, and educational activities, fostering unity and inclusivity.

This centre will also boost the local economy by creating jobs and attracting visitors, enhancing Wokingham's image.

I urge the council to approve this application for the positive impact it will have on our

community.
