COMMENTS:

I object to this planning application. This is the second attempt to sneak through inappropriate planning on this plot.

1. This is not part of the Wokingham Development Plan
2. There are no amenities in the village to support the additional population
3. This is an area of outstanding beauty in a rural setting, next to a bird reserve
4. This plot is subject to flooding on a regular basis
5. Drivers would pull out onto the Longwater Lane at the national speed limit change representing a road hazard
6. The area road network is already overloaded

What is the point of having the Wokingham Development Plan if these opportunistic plans get through. We all voted for the plan and we need to honour it as a community.

The shame is the amount of wasted time/money that we all end up paying through council tax for this!! PLEASE STOP THIS!!
