COMMENTS:

I wish to object to this planning application.

I understand the need to create more housing, but this has to be done in alignment with the Wokingham Development Plan.

This location is not suitable for 40 houses due to lack of facilities (shops, schools, doctors etc). This will drive more vehicles on to the local roads adding to pollution and congestion.

This is an area of natural beauty with very large amount of species reported around this post code (see NBNAtlas).
