

1. All dimensions and levels are in metres unless otherwise noted
2. This drawing is to be read in conjunction with the relevant Architect/Engineer's drawings, specifications and CDM documentation
3. This drawing has been produced electronically and may have been photo reduced or enlarged when copied. Work to figure dimensions only (DO NOT SCALE - EXCEPT FOR PLANNING PURPOSES). All dimensions to be checked on site. Any errors or omissions to be reported to the engineer immediately.
4. This drawing contains coloured lines / information that may not be clear if reproduced in black and white.
5. Digital copies of this plan can only be considered accurate if supplied directly by Infrastructure CS Ltd.

- This is not a construction drawing. For illustrative purposes only.
- This drawing shows proof of concept that the vehicles shown can manoeuvre within the confines of the site layout/topographic survey.
- The sweep path analysis is based on the vehicles specifications shown.
- The sweep path analysis shown on the drawing has been produced using Autotrack software. These are as accurate as possible using the correct speed and turning rate of real life vehicles, however the exact alignment can not be guaranteed due to differences between the software operator and the vehicle driver.
- Please note that the manufacturers of Autotrack (Autodesk Inc) offer no warranty as to the results or the performance of the software.
- Guidance should be sought from the relevant local authority on the types and sizes of vehicles used in the area of the development.

NOT FOR CONSTRUCTION
