

Important note

This information is confidential and the copyright of Charles Gillespie_Architecture. Charles Gillespie_Architecture accepts no liability for use of this drawing by parties other than the party for which it was prepared or for purposes other than that for which it was issued. It shall not be disclosed or passed to any third party without the written consent or part without Charles Gillespie_Architecture's express permission in writing nor should any other party place reliance upon it. Where data is supplied electronically, it is for convenience only. The original information or information on which it is based will be supplied on request. All dimensions are in millimetres. No dimensions or other information shall be interpreted as electronic data unless specifically stated on the printed or controlled copy. Where dimensions are not given, drawings must not be scaled and the matter should be referred back to Charles Gillespie_Architecture. The above is the true and correct copy of the drawing as produced by Charles Gillespie_Architecture and others. In the event of any conflict between the above and any other copy of the drawing, the above shall prevail. All documents, drawings, specifications, schedules etc. the matter must be referred back to Charles Gillespie_Architecture for clarification.

All drawings and documents are the property of the contractor prior to preparing designs, drawings, calculations etc. or commencing any work. The contractor shall be responsible for ensuring that there is no conflict between all dimensions and drawn dimensions.
