PROPERTY ADDRESS : 16
: Bythorn Close, Lower Earley, Berkshire
: RG63BH
SUBMITTED BY : Mr John Rutland
DATE SUBMITTED : 26/01/2026

COMMENTS:

I have just been informed of this application by a neighbour on the shared private access where my own and the applicant's properties are situated, I was unaware of any application as there has been no signage or postal notification at the property or to me.

I have read through the other objections and agree with them on all subject matters.

The applicant's property is at the entrance end of the shared access which is single lane which means there would need to be adequate space for materials and trade vehicles whilst the work was being carried out.
